

Dear customer,

Given the current market conditions, we know that price is more important than ever to you and your business. However, we have recently been advised by our suppliers of some price increases across a number of products.

Please see the below increases, all active as of 1st November 2020;

Product Category	Price increase	Live date
OSB	+5%	1st November 2020
KD Graded Carcassing	+10%	1st November 2020
CLS / Scant	+11%	1st November 2020
BS5534 Roofing Batten	+3.5%	1st November 2020

Why we're raising our prices. Given the scale of the increases above we unfortunately have no alternative but to pass them on. We are taking positive steps to increase product availability; however, lead times continue to extend and remain challenging.

Get Online. You can now trade with us online using your trade account! Visit jewson.co.uk to view 1000's of products with your own personalised prices. Check out using our click and collect service or have your items delivered direct to site.

Jewson is committed to working closely with our customers to better understand the challenges you face and ensuring we continually improve the products and services you receive from us. If you'd like to talk to us about anything we've included within this letter, please get in touch with your local branch. Thank you for being a valuable customer of Jewson throughout 2020.

Yours sincerely,

Jewson
